

dashTM Paycard

Eliminate the hassle and risk of paper checks

If you're paying any employees by paper check, you know that there will always be risks associated with:

1. Fraud
2. Lost or stolen checks
3. Errors that are costly and time consuming to fix

dash[®] Paycards are efficient and reduce the risks that you are exposed to with paper checks.

If you've never issued pay cards, you're missing key benefits for your business, including:

- Removing the risk of check fraud
- Eliminating the risk of lost or stolen checks
- Reducing the impact of pay errors

dash[®] Paycards benefit your employees with a better experience as they are paid instantly without the need to deposit paper checks.

Remove the risk associated with checks, and get a payroll system that is secure and reliable.
