Save time and money with paycards

We're always looking for ways to save you time and money, and increasing direct deposits is a great way to do both. We make it easy to offer direct deposit to more of your employees with dash[®] Paycard.

Benefits to you:

- Reduced expense and hassle of issuing checks
- Save time on bookkeeping and deliver faster payments to employees
- Increased control over funds with automated tracking
- Reduced risk of fraud or lost checks
- Increased flexibility to send payments whenever you choose

And because our platform easily integrates with any system, we can help employers offer direct deposit to more employees in as little as one week.
