

What's in the Employee Enrollment Packet?

The employee packet will be customized for your program and has everything your employees need to enroll and start using the dashPaycard including:

1. An enrollment form.
2. Information on how to enroll, activate and start using the card.
3. All the key features and benefits of the card and the mobile app.
4. Helpful tips to get the most from the paycard including tips on setting a PIN, using the card at gas stations and more.
5. Important fee and term information.
6. How to get help through the mobile app or 24/7 customer service.

Once an employee completes the enrollment form, we'll take it from there! We'll answer any employee questions and address all their enrollment needs. Simple!
